## LEARNER EXPERIENCE

“One of the biggest highlights of my programme has been being trusted to make a real difference in children’s education while learning alongside experienced staff. Seeing the impact of my support on pupils’ progress has been incredibly rewarding and has built my confidence. I’ve also had amazing opportunities to visit specialist settings, and broaden my understanding of education. Taking part in school trips has made the experience even more memorable and shown me just how meaningful this role can be”
