- Senior Science Technician
- Specialist Technician
- Laboratory Technician
- Education support roles
- Laboratory/Technical manager
- Science-based Industry roles

LEARNER EXPERIENCE

“I’ve gained real skills, a recognised qualification, and the confidence to take on responsibilities I never thought I could. One of the best parts has been working with students and seeing the difference I can make to their learning. Overall, it’s been an experience that’s helped me discover what I’m capable of and feel excited about my future”
