PRIORY APPRENTICESHIPS

IT SOLUTIONS TECHNICIANS
LEVEL 3

WHAT IS AN IT SOLUTIONS TECHNICIAN?

IT Solutions Technicians develop, implement and maintain all IT systems including their hardware infrastructure (such as servers and networks) and software (such as operating systems, middleware and applications).

WHO IS THE APPRENTICESHIP AIMED AT?

Technicians that work as part of a multi-disciplinary team or on an individual site.

DETAILS OF THE APPRENTICESHIP:

- Apprentices will demonstrate core knowledge, skills and behaviours to be fully competent as a IT Solutions Technician.
- The apprenticeship will typically take 22 months to complete.
- The main programme is delivered by our team of experts through group or one-to-one sessions over Microsoft Teams.

THE BENEFITS TO AN ORGANISATION:

Hiring an apprentice or developing existing staff is a productive and effective way for any organisation to grow talent and develop a motivated, skilled, and qualified workforce.

THE BENEFITS TO AN APPRENTICE & CAREER PROGRESSION ROUTES:

- The apprenticeship may be a gateway to future career opportunities within IT.
- This apprenticeship is recognised as entry into the British Computer Society, The Chartered Institute for IT and onto the Register of IT Technicians confirming level 3 professional competence. Those completing the apprenticeship can apply for registration.

Apprenticeship Incentive Payments are available.
